EDUCATION:

Doctor of Philosophy
University of South Carolina
Exercise Science: Motor Control and Physical Therapy
May 2013

Master of Science
University of Miami
Physical Therapy
December 1990

Bachelor of Arts
Emory University
Psychology
May 1988

FELLOWSHIPS:

American Physical Therapy Association
Graduate, Fellowship in Education Leadership 2019-2020
July 2020

LICENSURES:

2027 Georgia State Board of Physical Therapy, #3236
2028 South Carolina State Board of Physical Therapy Examiners, #2723

CERTIFCATIONS:

American Physical Therapy Association (APTA)
Board Certified Clinical Specialist in Neurology
2034 #1119
2014 #1119
2004 #8851
1995 #1119

APTA Clinical Instructor Education Board
2013 Advanced Credentialed Clinical Instructor
2005 Credentialed Clinical Instructor

2027 *Athletics & Fitness Association of America*
Certified Personal Trainer #721-2

2027 *National Association of Home Builders*
Certified Aging in Place Specialist (CAPS)

2028 *American Heart Association*
Basic Life Support: CPR Instructor

2028 *National Health & Safety Association*
Standard First Aid

POST RETIREMENT EMPLOYMENT

Group Aquatics Instructor, North Charleston Senior Center

Dorchester Road

Aqua Body Boogie
Slow & Strong
Cardiac Soul for Heart & Brain Health
7/7/2025-Present, Mondays 10:00-11:45 am & Wednesdays 9:00-9:45 am & 11:00-11:45 am

Carner Avenue

Aqua Body Boogie
Slow & Strong
Cardiac Soul for Heart & Brain Health
5/1/2025-Present, Tuesdays & Thursdays 9:00-9:45 am & Fridays 9:00-11:00 am

Group Fitness Instructor, North Charleston Senior Center

Chair Yoga
7/7/2025-Present, Mondays 9:00-9:45 am & Wednesdays 10:00-10:45 am

Group Fitness Instructor, Waring Senior Center

Sit & Fit Chair Exercises - Enhance®Fitness Format (Virtual & In-person)
5/20/2025-Present, Tuesdays & Thursdays 11:30am-12:30pm

Stand & Balance Chair Exercises - Enhance®Fitness Format
5/20/2025-Present,Tuesdays & Thursdays 12:45am-1:45pm; Wednesdays 2:15pm-3:15pm

Mondays & Thursdays 2:00pm-3:00pm

- Sit, Stand & Strong - Components of Enhance®Fitness Format: 1/5-4/30 of 2026
- Body Built Strong: 5/4 -6/29 of 2026

Substitute Group Aquatics Instructor, North Charleston Aquatic Center

Aqua Body Fitness
5/2024 & 5/2025, per diem – Tuesday evenings 6:15-7:00pm

Group Aquatics & Fitness Instructor, St. Andrew's Family Fitness Plus!

Aqua Body Fitness
2/1/2023-Present, Mondays & Wednesdays 6:30-:7:20pm

Substitute Instructor Aquatic Courses: per diem

Aqua Strength
Cardio Splash
Aqua Fitness

Group Fitness Instructor: per diem
Core Fit

PRE RETIREMENT EMPLOYMENT:

Associate Professor, Doctor of Physical Therapy (DPT) Program, School of Health Professions, Augustana University: 2001 S Summit Ave, Sioux Falls, SD 57197
March 2023-July 2024 Full-time
Teaching:
Primary Faculty: DPT 6311 Evidence Based Practice I

Secondary Faculty: DPT 6211 PT Fundamentals
Adjunct Faculty:
DPT 6141 Clinical Neuroscience
DPT 6512 Neuromuscular Practice I
DPT 6522 Neuromuscular Practice II
Service: Curriculum, Core Faculty, Administration & Artificial Intelligence Task Force Committees
Research Agenda:
1. Artificial Intelligence in the DPT Curriculum
2. Outcome Measurements Used to Determine AFO Use, Fit and Function
Supervisor: Matt Volansky 440.865.0531

Visiting Scholar, Department of Physical Therapy, College of Allied Health Sciences, Augusta University: 1120 15th St, Augusta, GA 30912
August 2022-December 2022
Teaching: PTHP 8003 Applied Neuroscience
Clinical: Supervise first- and second-year students at Christ Community Health Olde Town
Consultation:
1. Physical Therapy Department Curriculum: Neuromuscular track syllabi development: learning outcomes, learning experiences and assessment
2. Physical Therapy Department Diversity and Inclusion Group: Recommendations for recruitment & retention
3. Faculty Inclusive Excellence Initiative: Visiting Scholar application reviewer & program assessment development; faculty recruitment
Supervisor: Colleen Hergott 706.373.4169

Principal, dba jvb physical therapy services, llc.
1000 Bonieta Harrold Drive #8102 Charleston, SC 29414
July 2022-Present
Leadership Role 22-30 hours per week: teaches land-based and aquatic fitness programs at three senior centers as group instructor/certified personal trainer, also providing individual exercise/physical activity instruction after home-based PT examination and treatment; provides accessibility home assessments & design/modification consulting for aging in place; recommendations for equipment and educates clients/caregivers on use of equipment to safely age in place; home health consulting in neurorehabilitation physical therapy services, particularly AFO design & modification and gait analysis & treatment interventions to improve walking ability; emphasis is on exercise instruction to promote self-efficacy; continuing education course development and delivery specific to stroke rehabilitation; instructor for CPR training in basic life support
Supervisor: NA
Reference: Jane Boston of Motivations, Inc.: 803.417.6533
Reference: Sarah Gassman Wilbanks of PHC Rehab, Inc.: 843.478.4047

Associate Professor, Physical Therapy Program, College of Health Sciences
Charleston Southern University: 9200 University Blvd, North Charleston, SC 29406
January 2021-August 2021 Full-time
Director of the Neuromuscular Curriculum & Curriculum Chair in a developing program responsible for course construction and administrative matters regarding curriculum accreditation preparation

Service:
University-Wide:
Campus Advisor: Sigma Xi Chapter of Alpha Kappa Alpha Sorority, Inc.
Department: Physical Therapy Program:
Chair: Curriculum Committee
Member: Admissions Committee
Supervisor: Jacob Thorp 843.863.7181

PRN Physical Therapist, Holzer Health System – Gallipolis
100 Jackson Pike Gallipolis, OH 45631
September 2019-October 2020
Averaged 16 hours per month conducting examination and providing treatment primarily for individuals with neurologic diagnoses in Inpatient Rehab & Acute Care Hospital; supervised PTAs and Rehab Techs; provided in-services for Inpatient and Outpatient Therapy Staff
Supervisor: Nikki Roe 304.674.5455

Assistant Clinical Professor, Non-Tenure Track, Division of Physical Therapy, School of Rehabilitation & Communication Studies, College of Health Sciences & Professions
Ohio University: 1 Ohio University Drive Athens, OH 45701
March 2016-December 2020 Full-time
Teaching:
Instructor of Record
PT 7521/7522 Stroke & TBI Foundations/Applications
PT 8510 Rehabilitation Management & Functional Support
PT 8902 Neuroscience Advanced Seminar
PT 7930 Independent Study: Developing Therapeutic Exercise Programs Grounded in Kinesiology
Co-Instructor of Record
PT 7500 Neuroanatomy for Physical Therapist Lab
PT 7032 Clinical Skills & Exam I Applications
PT 7041/7042 Clinical Skills & Exam II Foundations/Applications
PT 7532 Management of Chronic or Progressive Disability Applications
Lecturer
PT 2590 Introduction to Physical Therapy
IHS 1200 Survey of Health Professions and Collaborative Healthcare
PT 7400 Evidence-Based Practice

Service:
University-Wide 2019-2020
Member: Diversity Advisory Council
Representative from the College of Health Sciences & Professions (CHSP)
Co-Chair: COESAD: Council of Employees and Staff of African Descent
Leadership Role: Create safe spaces to be authentic selves and plan activities for faculty, staff and graduate students centered around socialization, academic, service and career development
College of Health Sciences & Professions 2018-2020
Chair: Diversity & Inclusion Committee
Leadership Role: Guide a group of individuals representing the CHSP in strategic initiatives set forth by the Dean; represents the CHSP in developing collaborative programs with other academic units and university entities

Department: Division of Physical Therapy

Member:

Admissions Committee 2018-2020

Leadership Role: Recruitment of diverse students by visiting Historically Black Colleges & Universities; attending and recruiting from conferences that convene predominantly Black faculty & student scholars: Interlink Alliance & Southern Regional Education Board; presentations to undergraduate student organizations regarding the PT program, targeting multi-cultural student organizations such as MAPS: Minority Association of Pre-Health Students, LGBTQ Center & Hispanic Student Union

Curriculum Committee 2016-2020

Interview Committee 2016-2020

Neurology Residency Advisory Committee 2016-2020

Leadership Role: Developed policies and procedures for the Test Bank & Exam Resident Research Project as the only PhD-Trained PT among the didactic and clinical faculty for the OhioHealth & Ohio University Neurology Residency Program

Organizer: Stroke Support Group 2016-2019

Leadership Role: Marketing & recruitment of individuals with stroke and their caregivers; plans programming in conjunction with attendees

Clinical Practice: OhioHealth O'Bleness Hospital-Outpatient Rehabilitation, Ohio University Therapy Associates, Athens, OH; 8 hrs/wk Fall 2016 & Spring 2017

Research Agenda:

1. Perceptions and opinions of individuals with stroke regarding their experiences with AFO fabrication, modification and maintenance
2. Diversity, inclusion, equity and belonging concepts in learning outcomes, learning experiences, and assessment

Supervisor: Betty Sindelar - No longer employed; refer to Human Resources: 740.593.1636

Program Director, Physical Therapist Assistant Program
Technical College of the Lowcountry: 921 Ribaut Rd Beaufort, SC 29902
August 2014-May 2015 Full-time
Teaching: Instructor of Record: Neuromuscular Curriculum
Service: Chaired all program committees
Administration: Completed all self-survey review documentation for CAPTE accreditation; Managed financial affairs and departmental faculty; Supervised Assistant Program Director who served as Director of Clinical Education and 2-4 Adjunct faculty Members
Supervisor: No longer employed; refer to Human Resources: 843.525.8364

PRN Physical Therapist, Acute Care, Providence Hospital: now a MUSC Hospital
3700 Forest Drive, Columbia, SC 29204
December 2009-June 2012
16-20 hours/week conducting examination and providing treatment primarily for individuals with neurologic diagnoses in an Acute Care Hospital; supervised PTAs and Rehab Aides; provided in-services for Acute Care Therapy Staff
Supervisor: No longer employed; refer to Human Resources: 888.687.3753

PRN Physical Therapist, Home Health Division & Outpatient Services, PHC Rehab, Inc.
408 Folly Road, Charleston, SC 29412
August 2007-March 2016 (4-40 hours/ week)
Resumed September 2021-Present (0-10 hours/month)

Conducting examination and providing treatment primarily for individuals with neurologic diagnoses; supervised and mentored PTAs; taught neurorehabilitation continuing education courses for Therapy Staff and BLS CPR courses for Therapy & Nursing Staff; conducted home assessments and made recommendations for equipment for home and transportation; wrote letters of medical necessity and educated patients/clients/caregivers on use of equipment; designed and fabricated preliminary AFOs as template for orthotists to improve gait characteristics and safe walking
Supervisor: Sarah Gassman Wilbanks 843.478.4047

PRN Physical Therapist, HealthSouth Rehabilitation Hospital, Inpatient & Outpatient Rehabilitation; Now MUSC Health Rehabilitation Hospital
9181 Medcom St, Charleston, SC 29406
May 2006-June 2007
Up to 40 hours/week conducting examination and provided treatment primarily for individuals with neurologic diagnoses; supervised and mentored PTAs; supervised Rehab Aides; provided in-services for Therapy Staff; made recommendations for equipment at discharge; wrote letters of medical necessity and educated patients/clients/caregivers on use of equipment
Supervisor: No longer employed; refer to Human Resources: 843.820.7777

PRN Physical Therapist, Acute Care, Palmetto Health Richland now Prisma Health Richland Hospital
5 Richland Medical Park Dr., Columbia, SC 29203
August 2005-May 2006
8-21 hours/week conducting examination and providing treatment primarily for individuals with neurologic diagnoses; supervised and mentored PTAs; provided in-services for Therapy Staff
Supervisor: Mary Addison Blackstone - No longer in Rehab Services but can be contacted via Human Resources: 803.434.7000

Staff Physical Therapist, Acute Care, Palmetto Health Richland now Prisma Health Richland Hospital
5 Richland Medical Park Dr., Columbia, SC 29203
December 2004-August 2005 Full-Time
Conducted examination and provided treatment primarily for individuals with neurologic diagnoses; participated in team conferences for patient care; supervised and mentored PTAs; supervised Rehab Aides; provided neurorehabilitation in-services for Therapy Staff
Supervisor: Mary Addison Blackstone - No longer in Rehab Services but can be contacted via Human Resources: 803.434.7000

PRN Physical Therapist, Clinical Preceptor & Educator for Occupational & Physical Therapy Staff, Acquired Brain Injury Unit; Bridge Program, Shepherd Center
2020 Peachtree Rd NW, Atlanta, GA 30309
November 2004-August 2014
8-21 hours/month conducting examination and providing treatment primarily for individuals with neurologic diagnoses who lived in South Carolina and were graduates of Shepherd Center's Rehabilitation Programs; conducted home assessments and made recommendations for equipment for home and transportation; wrote letters of medical necessity and educated patients/clients/caregivers on use of equipment
Supervisor: No longer employed; refer to Human Resources: 404.350.7338

Staff Physical Therapist, Shepherd Pathways, Outpatient & Day Rehabilitation
1942 Clairmont Rd, Decatur, GA 30033
May 2003-November 2004 Full-time
Conducted examination and provided treatment primarily for individuals with acquired brain injury diagnoses; participated in patient team conferences; supervised PTAs and Rehab Techs; created programming for interdisciplinary team approaches for rehabilitation care; conducted home assessments and made recommendations for equipment for home and transportation; wrote letters of medical necessity and educated patients/clients/caregivers on use of equipment; provided neurorehabilitation in-services for Therapy Staff and taught continuing education courses for Shepherd Center sponsored events; clinical instructor for students; supervised rehabilitation aides
Supervisor: No longer employed; refer to Human Resources: 404.350.7338

PRN Physical Therapist, Shepherd Center, Acquired Brain Injury Unit Inpatient Rehabilitation
2020 Peachtree Rd NW, Atlanta, GA 30309
June 1996-May 2003
8-40 hours/week conducting examination and providing treatment primarily for individuals with neurologic diagnoses on the acquired brain injury unit; participated in patient team conferences; supervised PTAs and Rehab Techs; created programming for interdisciplinary team approaches for rehabilitation care; conducted home assessments and made recommendations for equipment for home and transportation; wrote letters of medical necessity and educated patients/clients/caregivers on use of equipment; provided in-services for Therapy Staff and taught continuing education courses for Shepherd Center sponsored events; developed what became neurologic residency program; submitted a proposal for clinical research using subsensory electrical stimulation; developed a protocol resulting in a book to fabricate walking serial casts and temporary AFOs from thermosetting plastics; extensive experience working with military service personnel/veterans via SHARE Military Service Initiative
Supervisor: Terri Kazanjian No longer employed, but can be reached at 303.928.0336

PRN Physical Therapist, Acute Care & Acute Rehabilitation, Atlanta Medical Center – Closed
303 Parkway Drive, NE Atlanta, GA 30312
July 2000-May 2003
8-16 hours/week conducting examination and providing treatment primarily for individuals with neurologic diagnoses; supervised PTAs and Rehab Techs; made recommendations for equipment at discharge; wrote letters of medical necessity and educated patients/clients/caregivers on use of equipment
Supervisor: No longer employed; No contact information for Human Resources

Staff Physical Therapist, Acute Rehabilitation, Atlanta Medical Center – Closed
303 Parkway Drive, NE Atlanta, GA 30312
December 1998-July 2000 Full-time
Conducted examination and provided treatment primarily for individuals with neurologic diagnoses on the inpatient rehabilitation unit; participated in patient care conferences; supervised and mentored PTAs and Rehab Techs; created programming for interdisciplinary team approaches for rehabilitation care; made recommendations for equipment at discharge; wrote letters of medical necessity and educated patients/clients/caregivers/caregivers on use of equipment; provided in-services for Therapy Staff; assisted with preparation for CARF and JACHO accreditation
Supervisor: Lori Taggart - No longer employed but can be contacted at 864.404.1797

PRN Physical Therapist, Acute Care & Acute Rehabilitation; Day Rehabilitation, Georgia Baptist Medical Center – Closed
303 Parkway Drive, NE Atlanta, GA 30312
May 1996-July 1998
8-16 hours/week conducting examination and providing treatment primarily for individuals with neurologic diagnoses; participated in patient team conferences for the acute rehabilitation unit; made recommendations for equipment at discharge and educated patients/clients/caregivers on use of equipment; supervised Rehab Techs; provided neurorehabilitation in-services for Therapy Staff
Supervisor: Lori Taggart - No longer employed but can be contacted at 864.404.1797

Principal, jvb physical therapy services, inc.
1635 Mulberry Street Charleston, SC 29407
April 1996-March 2016
Leadership Role 8-20 hours per week: Consultation & Physical Therapy Intervention in Neurology; Sponsor, Marketer, Content Developer & Instructor for Continuing Education Courses; Contract Physical Therapy Services 4-12 weeks; Specializing in private home health services in which I conducted home assessments and made recommendations for equipment for home and transportation; wrote letters of medical necessity and educated patients/clients/caregivers on use of equipment; Sought after stroke and traumatic brain injury specialist to examine and treat individuals with chronic impairments whose goal was to improve mobility resulting in 90% able to walk with a custom ankle foot orthosis (AFO) that I designed.
Supervisor: NA
Reference: Jane Boston of Motivations, Inc.: 803.417.6533
Reference: Sarah Gassman Wilbanks of PHC Rehab, Inc.: 843.478.4047

Staff Physical Therapist, Acute Rehabilitation, DeKalb Medical Center; Now Emory Decatur Hospital
2701 N Decatur Rd, Decatur, GA 30033
August 1993-June 1996 Full-time
Conducted examination and provided treatment primarily for individuals with neurologic diagnoses on the inpatient rehabilitation unit; participated in patient care conferences; supervised and mentored PTAs and Rehab Techs; created programming for interdisciplinary team approaches for rehabilitation care; made recommendations for equipment at discharge; wrote letters of medical necessity and educated patients/clients/caregivers on use of equipment; provided neurorehabilitation in-services for Therapy Staff; assisted with preparation for CARF and JACHO accreditation
Supervisor: No longer employed; Contact Human Resources: 404.501.1000

Contract Physical Therapist, Therapists Unlimited; Now CareerStaff Unlimited, A Genesis HealthCare Company
100 Ashford Center N#180, Atlanta, GA 30338
March 1993-May 1994
8-40 hours /week conducting physical therapy examinations and providing treatment for individuals with a variety of medical diagnoses but primarily neurologic in health care entities along the continuum of care: acute hospitals, inpatient rehabilitation centers, subacute rehabilitation units/skilled nursing facilities
Supervisor: No longer employed; Contact Human Resources: 770.446.6035

Staff Physical Therapist, Subacute Neurorehabilitation Unit, Meadowbrook Atlanta – Closed
Located on the campus of Georgia Baptist Medical Center: 303 Parkway Drive, NE Atlanta, GA 30312
August 1992-March 1993 Full-time
Conducted examination and provided treatment primarily for individuals with acquired brain injury who were predominantly low level functioning; participated in patient team conferences; supervised and mentored PTAs and Rehab Techs; created programming for interdisciplinary team approaches for rehabilitation care; made recommendations for equipment at discharge; wrote letters of medical necessity and educated patients/caregivers on use of equipment; provided in-services for Therapy Staff and caregivers
Supervisor: Donna Woodworth - No longer employed but can be contacted at 404.617.9361

Staff Physical Therapist, Acute Care, Dekalb Medical Center; Now Emory Decatur Hospital
2701 N Decatur Rd, Decatur, GA 30033
January 1991-August 1992 Full-time
Conducted examination and provided treatment for individuals with a variety of medical diagnosis along the hospital's service lines in acute care, then in year two focused on neurologic diagnoses; created programming for interdisciplinary team approaches for rehabilitation care and with an occupational therapist, developed the care maps for stroke rehabilitation, which was presented at a national conference; supervised PTAs and Rehab Techs; made recommendations for equipment at discharge and educated patients/clients/caregivers on use of equipment; provided in-services for Therapy Staff; assisted with preparation for CARF and JACHO accreditation
Supervisor: Belinda Gordon - No longer employed but can be contacted at 404.695.4503

SUBMITTED GRANTS NOT FUNDED:

Brown JV, Yom J, Brooks AR. $5000.00. **STEPS!: S**troke **T**eaching **E**xercise **P**rogram for **S**tudents. 2018: Ohio University College of Health Sciences & Professions, Interdisciplinary Health Research Grant. Internal Grant.

Brown JV. $1000.00. Physical Therapy Pipeline - Historically Black Colleges and Universities (HBCUs) to Ohio University (PTP-HOU!). 2017. Southern Regional Educational Board.

COMPLETED RESEARCH ACTIVITY

Brown JV, Spicer K, French, E. dic^{2}e: Diversity, Inclusion, Cultural Competence/y, Cultural Humility in Education. Closing Date: 5/31/2021.

Brown JV, Cotton J, Hicks, WJ, Little N. $5000.00. AFOs: Is Appearance, Function & Fit Obsolete. 2016: Ohio Physical Therapy Association – Research Committee. External Grant. Closing Date: 12/31/2018.

Brown JV, Cotton J, Hicks, WJ, Little N. $6083.00. AFOs: Is Appearance, Function & Fit Obsolete. 2017: Ohio University – Research Committee (OURC). Internal Grant. Closing Date: 12/31/2018.

DOCTORAL RESEARCH EXPERIENCE:

Graduate Assistant, Traumatic Brain Injury Intensive Mobility Training, Stroke Intensive Mobility Training & Virtual Environment Rehabilitation for Stroke
Principal Investigator: Stacy L. Fritz, PhD, 8/2010-12/2012

Graduate Assistant, STARS Project.
Principal Investigator: Patricia A Sharpe, PhD, 8/2009-4/2010

PRACTICE-BASED CLINICAL RESEARCH:

Brown JV, Subsensory Electrical Stimulation for Motor Recovery of the Hemiplegic Foot in Stroke Patients, Accepted Research Proposal, Shepherd Center, 9/2004

Brown JV, An Interdisciplinary Approach to Hemiplegic Shoulder Pain & Positioning: A Pilot Study, DeKalb Medical Center, 1996

Researched, designed and developed the **Wheelchair Forearm Splint** based on above study. Submitted for potential manufacturing by Smith & Nephew, Inc. & Sammons Preston, Inc., 1996

BUSINESS DEVELOPMENT

Completed FastTrac Growth Venture Program-SC Business Development Center, Charleston, SC, 8/23/2006

CONSULTATIVE & ADVISORY POSITIONS HELD:

LAPS: Lowcountry Aquatic Project Swimming: Board Member: - Secretary, 2024

West Coast University: Master of Speech Language: Advisory Board, 2019-2024

Physicaltherapy.com: Advisory Board, 2016-Present

Columbia College: Master of Science Speech Language & Audiology Program: Advisory Board, 2016-2019

American Board of Physical Therapy Specialties, Specialization Academy of Content Experts, 1/1/2005-12/31/2006

APTA, Advisory Panel on Minority Affairs, 7/01/1998-6/30/2001

COMMUNITY SERVICE:

Recruiter: Representing Augusta University as a Visiting Scholar @ 29th Institute on Teaching and Mentoring, 10/28-30/2022

Facilitator: DSP Scholar Network Gathering ,4/22/2022 & Application Reviewer: SREB State Doctoral Scholars Program, 5/2/2022

Reviewer: Culturally Sustaining STEM Institute: Gullah Geechee Science-Technology-Engineering-Math. Summer 2021 Curriculum Review Key Concepts & Ideas, 6/12/2021

Panel Member: Enacting and Researching Culturally Sustaining STEM Pedagogies Across Informal Settings in Gullah/Geechee Communities in the Southeastern United States, 6/6/2021

Judge, 2021 SC Health Occupations Students of America (HOSA) State Leadership Conference, Physical Therapy, 3/9-11/2021

Webinar Panelist ACAPT's Diversity Grants for APTA's Fellowship in Education Leadership, American Council of Academic Physical Therapy, 1/19/2021

Presenter, "Commemorating Christopher Davis: Who? Why?" Equal Justice Initiative-Christopher Davis Community Remembrance Project, Athens, OH, 9/14/2019

Director of Health Disparities Research & Community Engagement, Closing the Gap in Health Care, Inc., Charleston, SC

Responsible for securing grants, conducting research and program evaluations for a non-profit organization whose mission is to decrease health disparities and increase the health literacy of African Americans and the underserved communities throughout the Carolinas via health education programs and events that promote wellness and healthy lifestyles, 5/2015-3/2016

International Medical Advisory Board, YoungStroke, Inc., 2014-2016

Newsletter Editor, CHOICES Women's Center, Charleston, SC, 2007-2009

Health Ministry, St Philip AME Church, Atlanta, GA, 1994-2004

Former Advisory Board Member: ***Healthy Women*** Magazine

HONORS & AWARDS:

American Academy of Physical Therapy

Clinical Excellence Award, 2022

Ohio University

Ohio Faculty Newsmakers, Fall 2017

PHC Rehab, Inc.

Employee of the Quarter, Fall 2013

University of South Carolina

Scholar Award for Outstanding Contributions to the Black Graduate Student Association, 2011

DeKalb Medical Center

Employee of the Month

Over & Above Award (2/1991, 1/1992)

Meadowbrook Atlanta
Essy Award, 1992

FACULTY/TEACHING DEVELOPMENT:

2022 Southern Regional Educational Board 29th Institute on Teaching and Mentoring, Atlanta, GA 10/28-30/2022
Mentoring for Better Teaching, 12/2/2019-12/31/2020
Overcoming Unconscious Bias in the Workplace, 7/14/2020
Actively Open-Minded Thinking Scale, 6/9/2020
2019 Southern Regional Educational Board 26th Annual Institute on Teaching & Mentoring, Atlanta, GA, 10/25-27/2019
Diversity Best Practices' Higher Education-Industry Coalition Meeting, 7/10/2019
Education Leadership Institute Fellow, APTA, 7/2019-7/2020
Implicit Bias Training: Candidate Evaluation and Selection, 7/9/2019
Minority Faculty Leadership Development Seminar, Association of American Medical Colleges, Atlanta, GA, 6/27-30/2019
Implicit Bias Training: Preparing for the Search, 6/25/2019
Ohio University's Inaugural Diversity Leadership Institute, 3/25/2019
Intercultural Development Inventory Training, Ohio University, 12/10/2018
2018 Southern Regional Educational Board 25th Annual Institute on Teaching & Mentoring, Arlington, VA, 10/25-28/2018
2018 Interlink Alliance Faculty & Student Development Conference, Richmond, VA, 3/15-17/2018
SIDES Training: Summer Institute for Diversity Education, Ohio University, 5/14-18/2018
2017 Reflective Practice-Faculty Learning Community, Ohio University, 9/22; 10/13; 11/17
2017 Spotlight on Learning Conference, Ohio University, 4/25/2017
2017 Interlink Alliance Faculty Development & Leadership Conference, Baltimore, MD 4/21-22/2017
Best Practices in Classroom Management, Ohio University, 11/2/2016
2014 Southern Regional Educational Board 21st Annual Institute on Teaching & Mentoring, 10/23-26/2014
9th Annual Women's Leadership Institute: Balance Mind, Body and Soul, 4/25/2012
Center for Teaching Excellence: Preparing Future Faculty Program, 3/27/2012
Graduate Teaching Assistant/International Assistant Workshop, 8/12-13/2009

ADDITIONAL TEACHING EXPERIENCE:

Guest Lecturer, Hampton University, Department of Physical Therapy, Fall 2021
PHT 663 Special Topics:
Evaluation Process For an AFO
How to Fabricate a Training AFO - Low Tone/Foot Drop as Impairments

Lecturer, University of South Carolina, Physical Therapy Program
PHYT 720: Fundamentals of Physical Therapy, Summer I:2015
Instructor of Record, University of South Carolina, Physical Therapy Program
PHYT 809: Neuromuscular Assessment & Treatment I, Summer I: 2011

Lab Instructor, University of South Carolina, Physical Therapy Program
PHYT 810: Neuromuscular Assessment & Treatment II, Fall Semesters: 2010 -2012

Adjunct Faculty, Medical University of South Carolina, Physical Therapy Program,
PT 755 L: Neuromuscular I Lab, Spring 2008
PT 755 L: Neuromuscular I Lab, Summer 2008

Adjunct Professor, Gwinnett Technical College, Physical Therapy Assistant Program
Electro-Therapeutics, Winter Quarter 2003

Lecturer, Georgia State University, Physical Therapy Program
Neurology Skills Lab, 1996-1999

Clinical Instructor
Shepherd Center Pathways
Atlanta Medical Center
DeKalb Medical Center: Developed & Implemented Student Neurology Lab
Meadowbrook Atlanta

Clinical Educator
Georgia Baptist Medical Center: Developed & Implemented CVA Gait Lab
Shepherd Center, Acquired Brain Injury Unit

CONTINUING EDUCATION COURSE INSTRUCTOR:

Developed and delivered online and in person, one and two-day continuing education courses for health care facilities and professional organizations

Clinical Neuroanatomy for a Subcortical Lesion. Prioritizing Treatment Interventions for Resulting Impairments After Stroke, 2026
Movement Madness: When the Outcome of the Activity Level Does Not Match the Body Structure Function Level, 2026
Setting the Pace Carbon Composite AFO Summit - Post-Op, Rehab & Biomechanics - Optimizing Outcomes: *Modifying the Carbon Fiber AFO – Stroke*, 2026
AFO FITT-CORRECT A Plan to Improve Foot Drop, 2026
Foot Drop & Falls Post Stroke: AFO-Related Innovative Interventions for Safe Mobility, 2026
Physical Therapy Examination for an Ankle Foot Orthosis, 2026
PTA Exercise Progression Within the Plan of Care for Individuals with Stroke, 2025
Alleviating Knee Hyperextension by Addressing the Ankle & Hip for Individuals with Stroke, 2025
Maximizing Stroke Recovery in Acute Care & Inpatient Rehab to Prepare for Outpatient Success, 2025
Home Assessments for Healthy Living - Embracing Abilities and DisAbilities, 2025
Geriatric Gait Analysis and Fall Prevention, 2024
Effective Interventions for Correcting Pelvic Hike in Low or High Tone Lower Extremity – Insights for Physical Therapist Assistants, 2024
Innovative Interventions for Resolving Drop Foot Without AFOs - A Webinar for Physical Therapist Assistants, 2024
Clinical Neuroanatomy of the Corticospinal Tract for Rehabilitation Therapy Practitioners, 2024
Neurologic Upper Extremity I: Examination to Optimize Function, 2023
Neurologic Upper Extremity I: Interventions for Recovery, Compensation and Prevention, 2023
Stroke Rehab Series: Core Stabilization Interventions & EStim Techniques for the UE & LE, 2022
Use of Elastic Bands for Strengthening After Stroke, 2022

Strategies to Prevent & Eliminate Student Loan Debt, 2021
Stroke Approach: The Arm & Leg of It, 2021
S^2R: Strengthening for Stroke Recovery, 2020-Present
Surviving 2020: Tips to Eliminate Student Loan Debt, 2020
Motor Recovery Post CVA, 2020-Present
Diversity and Inclusion: Perspectives Applied to Neurorehabilitation; CEU Course Honoring the Legacy of Lynda D. Woodruff, PT, PhD©, 2019
Neurologic Gait Analysis and Treatment for Lesions of the Cortex, Subcortex & Cerebellum, 2019
Fabrication of a Training AFO, 2018 Updated 2026
Neurologic Gait Analysis and Treatment. Part III: Lesions of the Cerebellum, 2018
Neurologic Gait Analysis and Treatment. Part II: Lesions of the Subcortex, 2018
Neurologic Gait Analysis and Treatment. Part I: Lesions of the Cortex, 2018 & 2022
Neurologic Gait Analysis, Treatment and Measurement. Case-Based Interventions for the PTA. Part III: Lesions of the Cerebellum, 2017
Neurologic Gait Analysis, Treatment and Measurement. Case-Based Interventions for the PTA. Part II: Lesions of the Subcortex, 2017
Neurologic Gait Analysis, Treatment and Measurement. Case-Based Interventions for the PTA. Part I: Lesions of the Cortex, 2017
Neuroanatomy Medical Terminology - The ABCs of Neurorehabilitation, 2015
Functional Gait Analysis. Best Treatment Practices, 2015
Walking Function After a Young Stroke, 2015
Post-Stroke Attire for Young Stroke Physical & Social Activities: Making AFOs (Braces) that Look & Fit Good for Function, 2015
Intervention Strategies to Optimize Gait Dysfunction in Patients with UMN Impairments, 3/2015
Measuring Physical Therapy Success of Gait Rehabilitation in Rural Stroke Care, 2015
Treating the Patient with Stroke Across the Continuum of Care. Applying Knowledge & Skill Sets that Impact Interventions & Outcomes, 10/2014
Achieving Excellence in Stroke Rehabilitation via Knowledge of Neuroanatomy, Pathology, Impairment, Evaluation & Intervention, 9/2014
Taping and Electrical Stimulation Interventions for the Subluxed Neurologic Shoulder, 2014
SOS: Striking Out Stroke Gait Impairments Through Evaluation, Intervention & Documentation, 2014
Documentation^3: Friend or Foe For Reimbursement, 2013
Stroke Evaluation for Rehabilitation Therapists, 2013
Implementing Decision-Making Skills for Appropriate Taping Interventions for the Subluxed Neurologic Shoulder, 2012
Why is there Flaccidity After Stroke?, 2012
Stroke Center of Excellence-A Five Module Education Series in Stroke Knowledge, Evaluation and Gait Assessment & Treatment, 2011
The Radiology Report. Linking Lesion to Impairment. Reading, Understanding, & Applying the Information to the Patient With Stroke, 2011
Where Do I Put My Hands to Facilitate the Upper Extremity? Clinical Applications of Neuro-Developmental Treatment, 2010
Transitioning to Stand. It Is More Than Min-, Mod-, or Maximal Assistance, 2010
NeuroCognitive Reasons for Falls, 2010-Present
Gait Analysis…What You See Can You Fix?, 2009

Clinical Assessment of the Adult Neurologic Foot & Ankle: Implications for the Use of the Dynamic Ankle Foot Orthosis, 2009
Analyze This…Abnormal Neurologic Gait. Treatment Interventions for Better Functional Outcomes, 2009
Treatment Interventions for the Acute Stroke Patient in Inpatient Rehab, 2009
Improving Ambulation for Patients With Stroke, 2009
Facilitating Return of the Hemiplegic Upper Extremity. What Really Works?, 2009
Clinical Neuroanatomy Rehabilitation Therapists: Lesions, Impairments, and Treatment Interventions, 2008-Present
Gait Training for Patients with Stroke, 2007
Core Stabilization Exercises for Patients with Stroke, 2007
Dynamic Ankle Foot Orthosis for the Neurologically Impaired Adult, 2007
Ankle Foot Orthoses After Stroke *Articulating* the *Solid* Facts about Gait, 2007
Hemiplegic Upper Extremity: Evidence Based Practice Treatment Strategies in Neurorehabilitation, 2007-2008
Hemiplegic Gait: A Course for OTs & PTs, 2006
Hemiplegic Upper Extremity: Evidence Based Practice for Clinical Approaches in Neurorehabilitation, 2006
The Hemiplegic Upper Extremity-Topics in Neurorehabilitation, 2006-Present
The Neuro-Developmental Treatment Approach for Neurologic Gait Dysfunction, 2006-2007
Minimizing Upper Extremity Dysfunction Utilizing NDT, 2/2006
The Neuro-Developmental Treatment Approach for Gait Training, 2005
Neurologic Gait Dysfunction/ Neurologic Gait Dysfunction & Rehabilitation/Neurologic Gait Assessment & Treatment, 2005
Hemiplegic Upper Extremity: Different Perspectives to Promote Function, 2004
Introduction to Traumatic Brain Injury Management, 2004
Acute Care Neurorehabilitation, 2003
Hemiplegic Gait: A Course for Practitioners in Occupational & Physical Therapy, 2003
Hemiplegic Gait: Techniques to Integrate the Affected Upper & Lower Extremities, 2003
What To Do With The Hemiplegic Arm During Gait, 2001
Therapeutic Techniques for Patients With Hemiplegia, 2001
Hemiplegic Gait: Introductory Course on Gait Analysis & Therapeutic Intervention, 2001-2004
The Hemiplegic Upper Extremity: A Neuro-Developmental Treatment Approach, 2000
Ethics & Jurisprudence, 2000-2004
Gait Analysis & Therapeutic Intervention to Improve Hemiplegic Ambulation, 1999-2000
Hemiplegic Upper Extremity, 1998-2004
Introduction to Neuro-Developmental Treatment, 1999
Clinical Assessment & Treatment of Hemiplegic Shoulder Subluxation, 1998
Lower Extremity Splinting & AFO Intervention for Upper & Lower Motor Lesions, 1998
Neurologic Acute Care Assessment & Treatment, 1996

COURSE SPONSOR:

Ethics & Jurisprudence, 2000-2002
